

/daten/Projekte/eclipse  
\_workspace/csvtosd/main.cpp

```
graph TD; A["/daten/Projekte/eclipse  
_workspace/csvtosd/main.cpp"] --> B["stdio.h"]; A --> C["iostream"]; A --> D["fstream"]; A --> E["vector"]; A --> F["algorithm"]; A --> G["string.h"];
```

The diagram illustrates the dependencies of the file `/daten/Projekte/eclipse_workspace/csvtosd/main.cpp` on various C++ standard library headers. The main file is represented by a grey box at the top, and the headers are represented by white boxes at the bottom. Dark blue arrows point from the main file box to each of the header boxes, indicating that the main file includes these headers.
