

GUITimeline::setValue

```
graph LR; A[GUITimeline::setValue] --> B[GUITimeline::sendTimelineEvent];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'GUITimeline::setValue'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'GUITimeline::sendTimelineEvent' on two lines.
